

## In loving memory of Samantha Pileggi

*July 11, 1988 - December 4, 2004*

On Saturday, December 4th, the Washington Twp Minutemen Band family lost one of its own. Samantha Pileggi, a junior bass clarinet player, passed away in the early hours of the morning due to her extensive injuries from a car accident that occurred on Tuesday, November 30.

Sam was the type of person that could make anyone laugh, and knew the right thing to say at anytime. She knew how to brighten everyone's spirits in even the hardest of times. Her positive and loving personality was a huge asset to the Minutemen Band family, and she will always remain in our hearts and in our music.

Sam will be in every note we play, and every step we take. Not a day will go by where we won't think of her dedication, her personality, and her love.
