

2016  
Shoe Order form

A required part of our band uniform is a black tie shoe, also know as Dinkles. This may be purchased on your own or may order the shoes through us. We place our order through R.W. Munyon Company who offers these shoes at a cost of \$35.95.

If you wish to place an order, fill out the form below and return it to the RED box in the band room by Tuesday, August 9<sup>th</sup>, along with a check for the full amount. Make checks payable to the WTHS Band Boosters. The boosters will place the order and submit one check for all the orders. Shoes will be shipped directly to the school and we will get them to the students as soon as they arrive.

These shoes are not required for members of the colorguard. Colorguard members may be asked to purchase personal clothing items as well as shoes at a later date.

Please note: Traditional sizes are available as well as ½ sizes except for men's 12½, 13½, 14½ and 15½. Please specify a wide width by using a "W" next to the size. If you are uncertain as to what size to order, the best thing to do is ask an upperclassman to bring the shoes in so that you can try them on. The uniform moms/dads may also have some old shoes to try on. If shoes are delivered and do not fit, we can return them and order a different size at no cost.
