Uniform Procedure

Everything worked well this past week. Let's work uniforms the same way as we go into this week. Remember, as long as you are wearing your gym clothes/shorts etc. that are school appropriate, you may layer your uniform over them in the band room. We will not have time to change or put our instruments away at the Williamstown Competition this weekend.

Dot books

You now have the entire show! Please have the dot books completed this week to help us move forward through rehearsals and not waste time finding sets! You won't use it EVERY time we reset, but when you do need it, it's important it have it! They will also be graded on completion and having them on the field.

SINOTES- Thank you guys for a season changing week! I can't wait to go through the next weeks with such a great group on talented musicians. The show at RV was really the start of something great! Let's keep working together with a positive attitude and we will be unstoppable! Our big focus this week is to make the fundamentals of our show clean (marching, playing with balanced sounds, etc.) and boost our score with easy but well deserved points! Keep supporting each other as you do and the fun will continue to follow!

Pizza Fundraiser

We are selling tickets for a free year's worth of pizza raffle (one free pizza per month) from places all around Washington Township. Please sell the tickets you have to anyone you can!! Family, friends, parents work, etc. The drawing will be held on the night of our comedy show November 19th. Winners do NOT have to be in attendance so sell away!
