SINOTES- As the season comes to a close, I can't help but notice the big push by many of you as we prepare for championships. For our seniors, your last rehearsals of the marching seasons are at an end, while many freshman have never even been to Allentown yet! Focus on all the good times you've had in the program and channel all that positive energy into this last full week and I bet you will succeed more than you think! You are all talented individuals and only have one job left...to leave it all on the field one last time!

Together With Pride!
