

Washington Township Band Banquet

- Parents & Students,
- Every year, we like to take time out of our busy schedules and thank the kids for a job well done during their music season. This year we will be holding a dinner and award ceremony at Masso's in Glassboro. During the banquet, the students are recognized for their participation in the Marching Band, Concert Band Program, Jazz Band, Colorguard and/or Indoor Colorguard. We encourage everyone to take advantage of this Wonderful Night, to "Thank" our Staff and Students!!
- Please place your order form along with payment(**check made payable to WTHS Band Boosters**) in the red box in the back of the band room or you may mail it to:
