### **Things to Remember for Band Camp:**

1. LOTS of Water. Hydrate in the am before you come. Hydrate ALL day while you're at Band Camp. Hydrate when you get home at night.
2. Bring your sunblock! Even if you think you don't need it! The sun on the TURF fields can get super hot!
3. W....A....T....E....R....
4. Make sure you have your Dot Book and Dot Markers whenever we are on the field. And make sure that your dot book is up to date! Have a PENCIL on you at all times also because nothing is written in stone and adjustments may need to be made.
5. H2O
6. Participate in the Theme Days! It's Fun! There might be prizes!
7. Get yourself a BIG Water Jug!
8. If you are representing a Saint in the show please make sure that you have a **WHITE** hat or bandana to wear during Drill sessions.
9. WATER
10. If you are representing a Witch in the show, please make sure that you have a **RED** hat or bandana to wear during Drill sessions.
